Dear Colleagues,

It is a great pleasure to invite you to the 4th Conference of Association of Family physicians, which will be held from June 4 to 6, 2015 in Ljubljana, Slovenia. **The conference takes place under the honorary patronage of the President of the Republic of Slovenia, Mr Borut Pahor.**

This conference is one of the highly acclaimed meetings in the field of General Practice/Family Medicine in South-Eastern Europe. We are truly glad to host such a prestigious event in the beautiful city of Ljubljana.

This time, the scientific and organizing committee had chosen very challenging topics, such as: Family violence-challenges to the society and the family physician, Palliative care in family medicine, Modern approach to chronic diseases, Ageing, Quaternary prevention and definition of family medicine, Inter-professional collaboration and team work". The themes for the conference are focusing on the latest developments and trends, as well as future outlook of the field of primary care.

The organizing committee is gearing up for an exciting and informative conference program including plenary lectures, symposia, workshops on a variety of topics, poster presentations and various social programs. We invite you to join us at the IV. AGP/FM SEE Conference! There will be plenty of opportunities: exchange of experiences, meeting old and new friends, colleagues, physicians, health workers and other health professionals.

We are proud that key-note speakers will be Antonia Poplas Susič (WONCA Europe 5-Star Doctor 2014), Janko Kersnik (President of EURACT and member of Executive Board WONCA Europe), Danica Rotar Pavlic from Slovenia, Katarina Stavrić from FYROM, Ljubomir Kirov from Bulgaria, John Brodersen from Denmark and Leo Pas from Belgium. All respected presidents of associations of South-East Europe will be with us, too.

We believe this conference will be a highly rewarding networking experience for all. Additionally, we encourage you to take this opportunity to explore the many facets of Ljubljana and to experience the unique Slovenian culture.

We look forward to seeing you at the IV. AGP/FM SEE Conference this coming June!

Sincerely
